Summary	0894674: [Mobile] Android: The compass dial is decreased on the "Compass" screen after transitioning to landscape mode.					
Description	The compass dial is decreased on the "Compass" screen after transitioning to landscape mode.					
Steps To Reproduce	 Open the application. Swipe left to the "Tools" screen. Tap on the "Compass" button. Move the screen to landscape mode. Pay attention to the compass face in the "Compass" screen. Actual result: The compass dial is decreased on the "Compass" screen after transitioning to landscape mode. Expected result: The image of the compass dial is automatically adapted on the "Compass" screen to the landscape mode.
